## Overview

COMCEC Project Funding Training Program was held on March 22nd - 23rd 2018 in Ankara, Turkey.

COMCEC Project Funding (CPF) is a financing mechanism introduced by the COMCEC Coordination Office (CCO) in 2013. It finances projects submitted by the Member Countries and relevant OIC Institutions to realize the strategic objectives and outcomes of the COMCEC Strategy. CPF aims at realization of policy recommendations adopted by COMCEC Ministerial Sessions, enhancing solidarity and multilateral cooperation among Member Countries as well as increasing institutional and human capacity in those countries.

Relevant public institutions of the COMCEC Member Countries that are members of the related Working Group and Subsidiary, Specialized and Affiliated OIC Institutions operating in the field of economic and commercial cooperation can submit project proposals. Projects can be designed in one of the 6 different cooperation areas (as agriculture, finance, poverty alleviation, transport and communication, tourism and trade) and in accordance with sectoral themes determined by the CCO and announced in this website. In addition to the Project Owner, there should be 2 partner countries, which can contribute to the project by being a beneficiary or providing technical assistance, human resources, etc.
