

implemented a training program on “Technology Entrepreneurship Advocacy and Management of Business Incubation & Technology Parks” in İstanbul on 23-25<sup>th</sup> April 2018, which is related to the implementation of Goal 8: “Promote sustained, inclusive and sustainable economic growth”.

ICDT conducts activities contributing to the implementation of SDG1 (No poverty), SDG2 (Zero hunger), SDG3 (Good health and well-being), SDG4 (Quality education), SDG5 (Gender Equality), SDG9 (resilient infrastructure, sustainable industrialization) and SDG17 (global partnership). For example, the ICDT organized the 4th Specialized Exhibition on "Higher Education Services in the OIC Member States" in Casablanca on 26-29<sup>th</sup>, April 2018, which is related to SDG4: “Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all”.

With regard to the SDGs-related activities of the SMIC, technical training events are conducted serving to Goal 17.11. For example, “Halal Tourism Training in Uzbekistan” was held on 13-15<sup>th</sup> November 2018.

SESRIC exerts efforts towards contributing to the realization of the SDGs through data and monitoring, capacity building and policy coherence activities. SESRIC has conducted various activities related to the goals and targets under the SDGs. As an example, Statistical Capacity Building Programme on Business Statistics was organized on 22-24<sup>th</sup> October 2018, which is closely related with Goal 17.19.

The CCO organizes Working Group Meetings twice a year in six cooperation areas; namely, trade, tourism, agriculture, transport and communications, poverty alleviation, and financial cooperation. The Working Groups serve as suitable platforms for sharing knowledge and experiences in many areas, which are also related to various goals and targets under the SDGs. Poverty Alleviation Working Group (PAWG) has been elaborating on poverty related SDGs in its recent Meetings, namely education quality and vocational education which are directly related to SDG 4: “Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all”.

OIC Member Countries are also encouraged to conduct projects through the COMCEC Project Funding (CPF) on the supported themes, some of which are related with the SDGs. The Member Countries and the OIC institutions have the opportunity to conduct projects within the framework of the CPF with a view to enhancing institutional and human capacity in the OIC. For instance, Burkina Faso has implemented a project in 2018, titled “Strengthening the Resilience of Tourism Sector Against Crises through Communication”, in cooperation with Niger and Côte d'Ivoire, which has served the implementation of target 8.9 indicating that “By 2030, devise and implement policies to promote sustainable tourism that creates jobs and promotes local culture and products”.
