AsycudaWORLD

City/	Nber of off. computerized	AsycudaWorld	Nber of off. to comput.
Conakry	10	all	No
Interior of country	4	3 only one use Asycuda ++	2

3-Some Reforms & Innovations

- 1-Migrating from Asycuda ++ to AsycudaWorld
- 2- T1 document for Transit
- 3- Electronic payment in progress
- 4-Signing of the agreement with Webb fontaine for the implementation of Single window
- 5- Commission for appeal and review(TFA)
- 6- Etc.

4-Dificulties:

- 1-lack of computerization of some customs offices in interior of country
- 2- Too many agencies at the border and are not automated (Fees and charges)
- 3-Lack of customs information at the border
- 4-lack of financial ressorces
- 4-etc.

5-Recommendations

- 1- Trade portal (all informations about trade, rules, procedures, law, etc.)
- 2-Implementation of a Call center
- 3-Use of a SMS
- 4-Total use of ITC
- 5-Capacity building
- 6-Political support
- 7-etc.

THANK YOU
