In addition to the final list, the CCO has established a waiting list for the 2020 Implementation Period of COMCEC Project Funding. The project owners whose project is in the waiting list will be contacted through e-mail in the coming days. If any of the Project Owners in the final list would or could not complete the signing procedures of the Financial and Operational Contract by mid-March 2020, the CCO might instead award the grant to another project in the waiting list.
