# Altındağ in 2004

**When I was elected in 2004 we  
implemented a three-stage plan  
to fight poverty**

- 1- Urban transformation projects**
- 2- Social transformation projects**
- 3- Charity organisation : ALTINAY**

# 1- Urban transformation projects

- a) Development plans have been completed
- b) Public housing projects were performed
- c) non-owners who has got slums received title deeds
- d) Contractors were encouraged to make the structure.

## 2- Social transformation projects

- a) Women education and cultural centers opened
- b) Youth Centers opened
- c) Handicraft products market and food market opened.
- d) Women were encouraged to open their own businesses

A photograph of the Altindag Cultural Center under a clear blue sky. The building features a long, light-colored stone facade with a series of white, semi-circular arches supported by columns. Above these arches is a row of large, dark-framed windows. To the right, there's a more ornate section with a white facade, a central arched entrance, and a decorative blue and white geometric pattern above it. The text "ALTINDAĞ KÜLTÜR SARAYI" is written vertically in red capital letters above the main entrance. In the bottom left corner, a blue directional sign with a white arrow points towards the center, reading "Altindag Cultural Center".
