## Overview

COMCEC Project Funding Training Program was held on March 22nd - 23rd 2018 in Ankara, Turkey.

COMCEC Project Funding (CPF) is a financing mechanism introduced by the COMCEC Coordination Office (CCO) in 2013. It finances projects submitted by the Member Countries and relevant OIC Institutions to realize the strategic objectives and outcomes of the COMCEC Strategy. CPF aims at realization of policy recommendations adopted by COMCEC Ministerial Sessions, enhancing solidarity and multilateral cooperation among Member Countries as well as increasing institutional and human capacity in those countries.

Relevant public institutions of the COMCEC Member Countries that are members of the related Working Group and Subsidiary, Specialized and Affiliated OIC Institutions operating in the field of economic and commercial cooperation can submit project proposals. Projects can be designed in one of the 6 different cooperation areas (as agriculture, finance, poverty alleviation, transport and communication, tourism and trade) and in accordance with sectoral themes determined by the CCO and announced in this website. In addition to the Project Owner, there should be 2 partner countries, which can contribute to the project by being a beneficiary or providing technical assistance, human resources, etc.

# Supported Themes in Agriculture

## Supported Themes / Agriculture

- Developing a specific legislative framework and road map for reducing food waste
- Promoting food banks and food distribution networks
- Increasing awareness on food waste
- Developing Farmer Registry Systems
- Developing mechanisms to improve farmers' timely access to quality inputs
- Increasing capacity of farmers and farmer associations on warehousing and storage
- Ensuring the ingredient and input traceability as well as marketing oriented product standardization and certification
- Establishing Agricultural Market Information Systems
- Enhancing capacity for stock monitoring, trend analysis and forecasting
- Linking MIS to other market-supporting institutions and risk-management tools
- Improving coordination among the key stakeholders in the agriculture sector
- Promoting agri-food trade networks among the OIC member countries
- Reviewing agricultural trade policies to promote intra-OIC agricultural trade
- Increasing the resilience of the agriculture and food systems in face of future food crises

Finance	Poverty Alleviation	Trade

# Supported Themes in Agriculture - I

---

- ❖ Developing a specific legislative framework and road map for reducing food waste
- ❖ Promoting food banks and food distribution networks
- ❖ Increasing awareness on food waste
- ❖ Developing Farmer Registry Systems
- ❖ Developing mechanisms to improve farmers' timely access to quality inputs
- ❖ Increasing capacity of farmers and farmer associations on warehousing and storage
- ❖ Ensuring the ingredient and input traceability as well as marketing oriented product standardization and certification

# Supported Themes in Agriculture - II

---

- ❖ Establishing Agricultural Market Information Systems
- ❖ Enhancing capacity for stock monitoring, trend analysis and forecasting
- ❖ Linking MIS to other market-supporting institutions and risk-management tools
- ❖ Improving coordination among the key stakeholders in the agriculture sector
- ❖ Promoting agri-food trade networks among the OIC member countries
- ❖ Reviewing agricultural trade policies to promote intra-OIC agricultural trade
- ❖ Increasing the resilience of the agriculture and food systems in face of future food crises

# Online Project Submission System

---

- ❖ Projects are submitted through Online Project Submission System in two stages
- ❖ Focal Points can access the System via a username and password (request if you don't have them)
- ❖ Reference materials:
  - ✓ Project Preparation and Submission Guidelines
  - ✓ CV Templates
  - ✓ ToR Template (for Research Projects)
  - ✓ Tutorials for Online Fiche
  - ✓ Visibility Manual

The screenshot shows the login interface for the COMCEC ProjectFunding system. At the top left is the COMCEC logo, a circular emblem with a building and the text 'Cooperation for Development'. To its right, the text reads 'COMCEC ProjectFunding' in a large, bold font, with 'Project Management Information System' in a smaller font below it. The main heading is 'LOG IN' in a large, bold, teal font. Below this, there are two input fields: 'Username' with a yellow background and a user icon, containing the text 'LebPover'; and 'Password' with a yellow background and a key icon, containing a series of dots. A blue 'LOGIN' button is positioned to the right of the password field. At the bottom right, there is a link for 'Forgot Password?'. The bottom of the page has a light blue and white striped pattern.
