# Umm Qasr – Mina Rashid Ro-Ro Line

**Between Iraq and UAE.**

**Serving since December 2025**

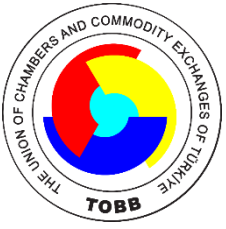

**Weekly departure**

**36-hour transit time**

**Non-containerised, full trailer units with drivers on board**

**Capacity: 145 accompanied trailers**

# Umm Qasr – Mina Rashid Ro-Ro Line

## ACCOMPANIED TRAILERS

Faster processing, reduced handling time and greater cargo security.

## FASTER TRANSIT

A reliable 36-hour sea journey from Dubai to Iraq with quicker turnaround at ports.

## WEEKLY SAILING

A fixed weekly schedule that provides consistency and dependable delivery windows.

## MULTI CARGO READY

Supports standard containers and reefer units for temperature controlled cargo.

## DOOR TO DOOR EFFICIENCY

Predictable end-to-end movement with minimal intermediate handling.

## ENHANCED CONNECTIVITY

Strong inland reach from Umm Qasr Port to key Iraqi markets.

This service is designed for businesses that rely on dependable, consistent access to Iraq's markets, including Flexible Cargo Solutions.

Standard & reefer trailer companies

Automotive industries

Retail and FMCG

Electronics and high-value goods

Perishables

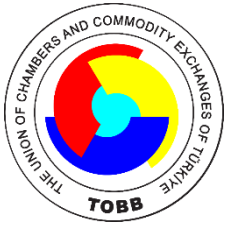

Industrial parts & machinery

Pharmaceuticals (temp-controlled compatibility)

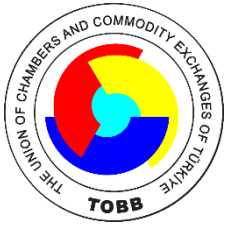

Project cargo (case-by-case)
